

CURRICULUM VITAE

Fanny M. Cheung

August 2023

Address: Hong Kong Institute of Asia-Pacific Studies
5/F, Esther Lee Building
The Chinese University of Hong Kong, Shatin, New Territories
Hong Kong Special Administrative Region
China

Email: fmcheung@cuhk.edu.hk

Education: B.A. in Psychology
University of California, Berkeley, California
Ph.D. in Psychology
University of Minnesota, Minneapolis, Minnesota

Employment and Experiences

The Chinese University of Hong Kong

Present

Emeritus Professor of Psychology, 2020–present
Hon. Senior Advisor, Hong Kong Institute of Asia-Pacific Studies, 2023–present

Past

Research Professor and Senior Advisor, Faculty of Social Science, 2020–2022
Senior Advisor, Hong Kong Institute of Asia-Pacific Studies, 2020–2022
Pro-Vice-Chancellor/Vice-President for Research, 2013–2020
Choh-Ming Li Professor of Psychology, 2013–2020
Director/Co-Director, Hong Kong Institute of Asia-Pacific Studies, 2010–2020
 Founding Director, Gender Research Programme/Centre, 1990–1996, 2001–2010;
 Gender Role Research Programme, Centre for Hong Kong Studies, 1985–1990
Professor of Psychology, Department of Psychology, 2001–2020
Professor I/Reader, Department of Psychology, 1992–2001 (on leave from 1996–1999);
 Lecturer and Senior Lecturer, 1977–1985, 1985–1992
Chairperson, Department of Psychology, 2000–2012; Section Head, 1979–1982, 1985–1986
 Director, Assessment and Training Centre, 2000–2006
 Coordinator, Graduate Studies in Clinical Psychology, 1988–1996
Dean, Faculty of Social Science, 1995–1996

Associate Director, Centre for Hong Kong Studies, Institute of Social Studies, 1984–1990
Honorary Clinical Psychologist, Department of Psychiatry, Faculty of Medicine, 1984–1992

Equal Opportunities Commission, Hong Kong Government

Founding Chairperson, 1996–1999

United Christian Hospital, Hong Kong

Clinical Psychologist, 1975–1977

University of Minnesota

Program Adviser and Consultant, Community Programs, Continuing Education and Extension,
1973–1974

Major Research Projects

Psychology

A longitudinal study of the development of career self-efficacy among Chinese high school students (funded by the RGC General Research Fund, 2013–2016)

The development of a scale to measure collective career efficacy among high school students (funded by the Direct Grant for Research, Social Science and Education Panel, CUHK, 2010–2011)

A cross-cultural study of personality and socialization antecedents of career self-efficacy among high school students (funded by the RGC General Research Fund, 2009–2012)

An investigation of personality traits, resilience, and mental health problems among adolescents in Sichuan earthquake area (funded by the Direct Grant for Research, Social Science and Education Panel, CUHK, 2009–2010)

A standardization of the Cross-cultural (Chinese) Personality Assessment Inventory for Adolescents (CPAI-A) in mainland China (funded by the Direct Grant for Research, Social Science and Education Panel, CUHK, 2007–2009)

Cross-cultural validity and utility of the CPAI-2 in career counseling for college students (funded by the RGC Earmarked Research Grant, 2006–2008)

The development of a checklist of career development activities for college students in Hong Kong (funded by the Direct Grant for Research, Social Science and Education Panel, CUHK, 2006–2007)

A culturally relevant personality inventory for Chinese adolescents (funded by the RGC Earmarked Research Grant, 2003–2006)

The development of adolescent well-being measures: A preparatory study to validate the Chinese Personality Assessment Inventory for Adolescents (CPAI-A) (funded by the Direct Grant for Research, Social Science and Education Panel, CUHK, 2003–2004)

Construction of risk and needs assessment scales for violent offenders, sex offenders and young offenders (commissioned by the Hong Kong Government, 2002–2005)

Personality profiles of Chinese psychiatric patients: An indigenous approach (funded by the RGC Earmarked Research Grant, 2001–2003)

- Convergent validity of the CPAI in Asia (funded by the Direct Grant for Research, Social Science and Education Panel, CUHK, 2001)
- Universal and indigenous dimensions of the Chinese Personality Assessment Inventory (funded by the RGC Earmarked Research Grant, 2000–2002)
- Predicting job performance with the Chinese Personality Assessment Inventory (funded by the Direct Grant for Research, Social Science and Education Panel, CUHK, 2000)
- Behavioral correlates of interpersonal relatedness and openness in Chinese culture (funded by the Direct Grant for Research, Social Science and Education Panel, CUHK, 1999)
- Adjective descriptors of Chinese personality (funded by the Direct Grant for Research, Social Science and Education Panel, CUHK, 1996)
- Clinical validation of the CPAI (funded by the Direct Grant for Research, Social Science and Education Panel, CUHK, 1996)
- Validation of the Chinese Personality Assessment Inventory (CPAI) in Hong Kong and South China (in collaboration with the Institute of Psychology, Chinese Academy of Sciences, China; funded by the South China Research Programme, Hong Kong Institute of Asia-Pacific Studies, CUHK, 1993–1995)
- Consultant to the research project on the standardization of the Chinese MMPI-2 in China, Institute of Psychology, Chinese Academy of Sciences, China, 1990–2005
- Standardization of the Chinese MMPI-2 and MMPI-A in Hong Kong, 1990–2003
- Development of the Chinese Personality Assessment Inventory (in collaboration with the Institute of Psychology, Chinese Academy of Sciences, China; funded by the UPGC Earmarked Grant for Research, 1989–1991, 1991–1993)

Gender

- Women and girls in Hong Kong: Current situations and future challenges (commissioned by The Women's Foundation, Hong Kong, 2011–2012, Co-I)
- Construction of risk and need assessment tools for adult and young sex offenders for the Correctional Services Department (commissioned by the Hong Kong Government, 2010–2014)
- Work-family balance for women leaders in Chinese and US societies: Implications for enhancing women leadership (funded by the Fulbright New Century Scholars Program, 2004–2005)
- Gender diversity and leadership effectiveness: An exploratory study in the Chinese work setting (funded by the PDI Global Research Consortia, 2002–2005)
- Outcome of the rape crisis intervention services and training programmes of Rain Lily (commissioned by the Association Concerning Sexual Violence Against Women, 2001–2004)
- Violence against women: A comparative study in Chinese societies of Hong Kong, PRC, and Taiwan (in collaboration with Prof. X. M. Sun, Chinese Women's College, Beijing and Dr. Roda Chen, National Tsing Hua University, Taiwan; funded by the RGC Earmarked Grant for Research, 1996–1998)
- Health risk and multiple roles of women in Hong Kong (funded by the Health Services Research Committee, 1995–1997)
- Gender and the professions in Hong Kong: The politics of work and the social construction of

gender (funded by the RGC Earmarked Grant for Research, 1994–1999)

Violence against women in Chinese societies: The Hong Kong experience (funded by the UPGC Earmarked Grant for Research, 1994–1996)

Equal Opportunities

Established the research foundation of the Equal Opportunities Commission (EOC), and led the EOC in conducting or commissioning a series of baseline surveys, including: public awareness of equal opportunities; public attitudes on equal opportunities on the ground of gender, disability, and family status; objective and subjective indicators of equal opportunities; feasibility on the implementation of equal pay for equal values; operational definition of sex as a genuine qualification in employment; gender and disability stereotypes in school textbooks; and sex discrimination in gender-based test norming and school places allocation.

Center for Population and Gender Studies, National Taiwan University, Taiwan
External Academic Review Panel for the Department of Psychology, University of Macau, Macau, Chair
Faculty of Science, National Taiwan University, Taiwan
Jury for the 2019 Achievement Against the Odds Award, International Union of Psychological Science
Outstanding Research Award, National Science Council, Taiwan

Professional and Honorary Societies

American Psychological Association
Fellow (Division 35, Division 52), 2004–present;
Member, Fellows Committee (Division 35), 2016–2020;

Joint Division 52 and Division 5 Task Force concerned with the promotion of sound and updated methodological practices in cross-cultural research, 2006–2009;

Foreign Affiliate, 1988–2001; and

Member, 1976–1987, 2001–2003

Association of Psychological Sciences, Fellow, 2008–present

British Psychological Society, Associate Fellow, 1988–1996

Chinese Women's Research Society, Board of Directors, Member, 2011–2021

European Women Rectors Association, Scientific Advisory Board, Member, 2016–present

Hong Kong Psychological Society

Fellow, 1983–present;

Member, Division of Clinical Psychology, 1982–present; and

President, 1984–1985

International Association of Applied Psychology

Member, Board of Directors, 2006–2018;

Member, Task Force on Membership and Task Force on Succession/Governance, 2012–2018;

Convenor, Task Force on Asia Outreach, 2008–2012; and

President, Division of Clinical and Community Psychology, 1990–1994

International Test Commission

Council Member, 2006–2016;

elected Honorary Fellow, 2016;

President, 2012–2014; and

President Elect, 2010–2012

Phi Beta Kappa, elected Member, 1970

Awards and Honours

Kuo-Shu Yang Medal (AASP Lifetime Achievement Award), Asian Association of Social Psychology, 2023, to honor her outstanding lifetime contributions to Asian social psychology.

Distinguished Graduate Alumni Award, Department of Psychology, University of Minnesota, 2023, to recognize her distinguished accomplishments in research and scholarship, both basic and applied, as well as the contributions she has made to important societal issues.

Denmark-Gunvald Award for Feminist Research and Service, International Council of Psychologists, 2020, in honour of her contribution as a psychologist with a history of research and service that directly benefits the health, promotion, and well-being of women in the world.

Elected Fellow (10-Social and Economic Sciences), The World Academy of Sciences, 2018, for having demonstrated best practice in test translation and adaptation; raised awareness on indigenous constructs of personality; pioneered the adoption of the combined emic-etic approach to develop culturally relevant personality assessment; established evidence-based gender studies in Chinese societies.

Silver Bauhinia Star Award, Hong Kong Special Administrative Region Government, 2016, for her long and distinguished public and community service, particularly her significant contributions to the promotion of equal opportunities and elimination of discrimination, as well

as her exemplary academic achievements in psychology and her internationally renowned cross-cultural and gender studies.

Distinguished Chinese Alumni Award, University of Minnesota, 2015, in honour of her accomplishments and the University's 100-year history of exchange and engagement with Chinese students, scholars, and institutions.

International Association of Applied Psychology Award for Distinguished Scientific Contributions to International Advancement of Applied Psychology, 2014, for her leadership in developing and validating culturally relevant assessment tools, making a call to mainstream psychology to incorporate the voice of non-western cultures in their epistemology and training, and pioneering gender research in Chinese societies.

American Psychological Association Award for Distinguished Contributions to the International Advancement of Psychology, 2012, in recognition of her sustained and enduring contributions to international cooperation and to the advancement of knowledge of psychology.

American Psychological Association, Division 52, Outstanding International Psychologist Award, 2005, for her significant contributions to global psychology.

Fulbright New Century Scholars Program, International Scholar, 2004–2005

American Psychological Association, Presidential Citation, Recipient, 2004

Distinguished Leadership Award for Internationals, University of Minnesota, 2003, in recognition of the outstanding accomplishments of an alumna in post-university career.

Officer of the Most Excellent Order of the British Empire (OBE), awarded by Her Majesty Queen Elizabeth II, 1997

Hong Kong Affairs Advisor, China, 1995–1997

Justice of the Peace (JP), appointed by the Governor of Hong Kong, 1988

Badge of Honour, in recognition of her valuable services rendered to Hong Kong, awarded by Her Majesty Queen Elizabeth II, 1986

Staff Development Scholarship, The British Council, Committee for International Cooperation in Higher Education, Recipient, 1983

Distinguished Visiting Professor Program, U.S. Department of the Air Force (Wilford Hall USAF Medical Center), Texas, Recipient, December 1983

- How Can International Psychology of Women Contribute to Gender Equity?* [Symposium Co-chair]. American Psychological Association Convention 2021 Virtual, August 2021.
- Value-based diversity and gender equity policies and practices in universities* [convenor of breakout interactive session]. 7th European Women Rectors Association Conference June 9–10, 2021 (online). ETH, Switzerland.
- Promoting gender equity in universities: The role of tertiary educational exchanges in Belt-Road Initiative.* 8th World Women University Presidents' Forum, Wuhan, April 7–10, 2018.
- Empowering and encouraging women academics in a gender-blind organization: Sharing best practices in overcoming resistance.* 5th European Women Rectors Conference, Brussels, Belgium, May 29–30, 2017.
- The role of female leaders in facilitating a supportive environment for women faculty in higher education.* 7th World Women University Presidents' Forum, Taipei, October 12–15, 2016.
- Gendered leadership in higher education in Hong Kong.* British Council Going Global 2015, London, UK, June 1–2, 2015.
- Culture and gender perspectives of leadership development and their relationship to inclusive leadership.* British Council Going Global 2014, Miami, USA, April 29–May 2, 2014.
- Dangerous demographics: Asian perspectives in women and leadership in higher education.* British Council Going Global 2014, Miami, USA, April 29–May 2, 2014.
- Effects of personality on vocational exploration via career decision self- and collective efficacy among Chinese students* (with Wang, J.). Symposium on *Relational personality correlates of vocational behavior: Studies with the CPAI emic and etic dimensions*, 13th European Congress of Psychology, Stockholm, Sweden, July 9–12, 2013.
- Emic personality moderators in career efficacy's prediction of vocational identity among US and Chinese adolescents* (with Wan, S. L. Y.). Symposium on *Relational personality correlates of vocational behavior: Studies with the CPAI emic and etic dimensions*, 13th European Congress of Psychology, Stockholm, Sweden, July 9–12, 2013.

- CPAI-A correlates of adolescent vocational identity in Hong Kong* (with Ng, C. M. Y.). Symposium on *A combined emic-etic approach to personality assessment: Recent applications of the CPAI-2 or CPAI-A*, 9th Biennial Conference of the Asian Association of Social Psychology, Kunming, July 28–31, 2011.
- Role of the CPAI-A in predicting career decision self-efficacy among Hong Kong adolescents* (with Wan, S. L. Y.). Symposium on *A combined emic-etic approach to personality assessment: Recent applications of the CPAI-2 or CPAI-A*, 9th Biennial Conference of the Asian Association of Social Psychology, Kunming, July 28–31, 2011.
- Cross-cultural comparison on the personality structure of the CPAI-A among American and Chinese adolescents* (with Wan, S. L. Y.). Symposium on *From indigenous to cross-cultural personality assessment*, 12th European Congress of Psychology, Istanbul, Turkey, July 4–8, 2011.
- The combined emic-etic approach in indigenous personality assessment*. Symposium on *From indigenous to cross-cultural personality assessment*, 12th European Congress of Psychology, Istanbul, Turkey, July 4–8, 2011.
- Factor congruence of the CPAI-2 in Asian and American samples*. Symposium on *From East to West: Generalizability of the CPAI in Western contexts*, 11th European Congress of Psychology, Oslo, Norway, July 7–10, 2009.
- Etic vs. emic personality assessment: An integrative approach for deriving an indigenous measure for Chinese personality*. Symposium on *Testing and assessment in emerging and developing countries, II: Challenges and recent advances*, 29th International Congress of Psychology, Berlin, Germany, July 20–25, 2008.
- Symposium on *Beyond a universal personality structure: Recent research on the Cross-cultural (Chinese) Personality Assessment Inventory* [symposium organizer and chairperson], 29th International Congress of Psychology, Berlin, Germany, July 20–25, 2008.
- Women and psychology in a global era*. Symposium on *Psychology in a global era: Challenges, opportunities and responsibilities*, 29th International Congress of Psychology, Berlin, Germany, July 20–25, 2008.
- Symposium on *Challenges of psychological assessment in Chinese societies* [symposium organizer and chairperson], 6th Chinese Psychologist Conference, Hong Kong, June 11–14, 2008.
- Symposium on *Personality research beyond the Big-Five: Recent developments of the Chinese Personality Assessment Inventory* [symposium organizer and chairperson], 7th Conference of Asian Association of Social Psychology, Kota Kinabalu, Malaysia, July 25–28, 2007.
- Fostering mental health in a university community*. Plenary session on *Experience from the field-policies to practice*, 1st Asia-Pacific Conference on Healthy Universities, Hong Kong, March 8–10, 2007.
- Symposium on *Standards of Psychological Testing* [symposium organizer and chairperson], 28th International Congress of Psychology, Beijing, August 8–13, 2004.
- Symposium on *Validation of the Cross-Cultural (Chinese) Personality Assessment Inventory (CPAI-2)* [symposium organizer and chairperson], 28th International Congress of Psychology, Beijing, August 8–13, 2004.
- Test translation East and West*. 28th International Congress of Psychology, Beijing, August 8–13, 2004.
- The adaptation and application of the Chinese MMPI-2*. 112th Annual Convention of the American Psychological Association, Honolulu, USA, July 28–August 1, 2004.

- Interpersonal relatedness among Asian American and European American students.* 112th Annual Convention of the American Psychological Association, Honolulu, USA, July 28–August 1, 2004.
- Symposium on *From the Chinese to Cross-cultural Personality Assessment Inventory (CPAI)* [symposium organizer and chairperson], 112th Annual Convention of the American Psychological Association, Honolulu, USA, July 28–August 1, 2004.
- Culturally relevant measures of personality assessment.* Hong Kong Psychological Society Annual Conference, Hong Kong, June 5, 2004.
- Social responses to SARS.* World Health Organization SARS Scientific Research Advisory Committee Meeting, Geneva, Switzerland, October 20–21, 2003.
- Symposium on *Cross-cultural relevance of the CPAI-2 in Chinese and American cultures* [symposium organizer and chairperson], 111th Annual Convention of the American Psychological Association, Toronto, Canada, August 7–11, 2003.
- Personality and psychological well-being in adulthood.* Hong Kong Psychological Society Annual Conference, Hong Kong, June 14, 2003.
- Development of indigenous openness scales for the CPAI.* 4th International Conference of Chinese Psychologists and the 6th Interdisciplinary Conference on Chinese Psychology and Behavior, Taipei, November 9–11, 2002.
- Significance of indigenous constructs in the study of personality.* Symposium on *Indigenous and cross-cultural analysis of personality*, 25th International Congress of Applied Psychology, Singapore, July 7–12, 2002.
- Symposium on *Validation of the Chinese Personality Assessment Inventory* [symposium organizer and chairperson], 25th International Congress of Applied Psychology, Singapore, July 7–12, 2002.
- Convergence of the Chinese MMPI-2 and the CPAI.* 17th International Conference on Personality Assessment, Nijmegen, The Netherlands, June 28, 2002.
- Gender differences in personality among Chinese men and women.* Academic Conference on Chinese Culture and Women, Peking University, Beijing, June 14–15, 2002.
- A gender perspective to women's health and mental health.* 1st Scientific Symposium on Research in Women's Health: From Knowledge to Practice, Hong Kong, October 21, 2001.
- Chinese Personality Assessment Inventory: Factor structure and cross-cultural relevance.* Symposium on *Chinese Personality Assessment Inventory: Factor structure and cross-cultural relevance*, 109th Annual Convention of the American Psychological Association, San Francisco, USA, August 24–28, 2001.
- Indigenous constructs in the assessment of cross-cultural psychopathology.* Symposium on *Critical issues in assessment, treatment and research*, 109th Annual Convention of the American Psychological Association, San Francisco, USA, August 24–28, 2001.
- The use of the Chinese Personality Assessment Inventory in human resource management.* International Conference on HR and Business Strategy, Hangzhou, June 16–17, 2001.
- Mental health challenges for the 21st century.* Chung Chi College Annual Education Conference on Social Change and Health: Challenges for the 21st Century, Hong Kong, January 13, 2001.
- Interpersonal relatedness: A unique factor on the Chinese Personality Assessment Inventory?* 5th Inter-disciplinary Seminar on Chinese Psychology and Behavior, Taipei, December 8–10, 2000.

- Applying psychology to set up the Equal Opportunities Commission in Hong Kong.* Symposium on *Women and leadership: Global perspectives*, 27th International Congress of Psychology, Stockholm, Sweden, July 23–28, 2000
- Ageing population and gender issues.* 10th Anniversary Conference on *Into the 21st Century: Challenges for Hong Kong and the Asia-Pacific Region*, Hong Kong, April 13–15, 2000.
- The changing status of women: What are the indicators?* Panel on *Women as key players in economic development*, UNDP China Millennium Meeting, Hong Kong, December 16–17, 1999.
- Wanted: Indicators of gendered mobilities.* International Conference on *Gendered Mobilities in Asia*, Hong Kong, November 25–26, 1999.
- The need for objective and subjective indicators in gender statistics.* APEC Experts' Meeting on *Gender, Science and Technology*, Manila, the Philippines, March 10–11, 1998.
- Indigenous Chinese personality constructs and counselling* (with Leung, K.). International Conference on *Cross-Cultural Counselling in Chinese Communities*, Hong Kong, May 16–17, 1997.
- How do Chinese define violence against women?* (with Tang, C. S. K. & Lee, A.). 26th International Congress of Psychology, Montreal, Canada, August 16–21, 1996.
- Indigenous Chinese personality constructs* (with Leung, K., Law, J. S., & Zhang, J.). 26th International Congress of Psychology, Montreal, Canada, August 16–21, 1996.
- Personality traits as predictors of mental health in Chinese: Cultural and gender issues* (with Gan, Y.). 13th International Congress of the International Association for Cross-Cultural Psychology, Montreal, Canada, August 12–15, 1996.
