Points to Note for the USC Exchange

1. The period of exchange shall be one academic term or one academic year. In the case of USC, Fall semester is from late August to mid-December and Spring semester is from January to mid-May.
2. English Language Requirement to Study at USC: To study at USC Dornsife, students must have a TOEFL iBT score of 90 with no less than 20 on each section OR an IELTS score of 6.5 with no less than 6 on each band score (see <https://dornsife.usc.edu/overseas-studies/incoming-exchange/>).
3. Students may only register for USC courses in Dornsife College during their first semester, and may take up to eight units of courses outside of Dornsife College during their second semester. At USC, space in courses in the School of Cinematic Arts and the Marshall School of Business are particularly limited. It is understood that quota limitation, normal timetabling and scheduling constraints apply to all students. USC's online course catalog can be found at: <http://web-app.usc.edu/soc/>.
4. Students will pay normal tuition and fees to the CUHK in accordance with the policies of that institution. Neither institution will make charges upon the other or upon the exchange students for tuition or application fees.
5. USC will do their best to assist exchange students in finding accommodation on or near the campus.
6. Exchange students will be responsible for personal health and hospitalization insurance coverage. Any medical expense that exceeds the coverage provided by such insurance shall be borne by the exchange student and his/her family. Both institutions will offer basic outpatient health care to all exchange students as can be provided by and at their respective health service units.
7. Exchange students are responsible for arranging and covering the costs of their own international and domestic travel, as well as expenses related to housing, meals, study materials, local transportation, personal expenses, passport and visa applications, and all other general living expenses.
8. If students withdraw from the exchange program after committing to it, there is a possibility that they may lose the opportunity to participate in the same program in the future.

I must check my CUHK email account frequently for the important messages from the Department, and I must ensure my CUHK email account functions properly that I can receive emails from the Department timely and completely. I should also review the messages in my junk e-mail folder.
19. I understand that I must input my TOEFL/IELTS score data (if any) in the application form accurately and provide the relevant score report(s).
